As your tour operator, we would like to remind you of the importance of adequate holiday insurance. Such insurance should ensure you are fully covered against unexpected cancellation charges, medical expenses rising abroad, losses of luggage or money and personal liability claims. As Travelink insurance

is particularly selected for travel to Israel with high cover at low premium this policy is highly recommended.  
 If you decline this policy, please complete the following.  
 I have taken an alternative holiday insurance policy, which provides cover comparable or greater than that provided by the Travelink Group policy, including cancellation cover for all causes beyond my control and offering a 24-hour emergency telephone service.
